# Call for Entries

ABC Virginia (ABC-VA) invites our members to enter their best projects in the 11th Annual Excellence in Construction Awards program. The Excellence in Construction (EIC) Awards recognize and celebrate outstanding projects built by ABC-VA Central Virginia and Hampton Roads members and their associated outstanding employees.

# Eligibility

- Any licensed general contractor, specialty contractor or construction manager member of ABC-VA may submit an entry. Subcontractors acting as the general contractor on the project entered are also eligible. Projects earning an award in this competition are subsequently eligible for entry in the ABC National Excellence in Construction Awards program.
- **Any project on which there was a work-related fatality or other serious injury is not eligible.**
- No project is eligible that was subject to a requirement that contractors enter into agreement(s) with any labor organization as a condition of performing work.
- The EIC Awards Committee reserves the right to disqualify entries without a fully completed entry form, or to disqualify or re-categorize any entry, with cause and proper notification to the contractor.

Questions concerning eligibility should be directed to:  
 Rob Camlin, ABC-VA Vice President / [757-855-8220](tel:757-855-8220) or [rob@abcva.org](mailto:rob@abcva.org)

# Rules of Entry

- A \$250 entry fee is required with each entry in each category.
- There is no limit to the number of entries per member or in any one category.

# Project Criteria

• Eligible projects must have a completion rate of at least 95% between June 1, 2023 and May 31, 2024. Judging teams reserve the right to disqualify projects and employees that are determined to be incomplete or ineligible.

• Project must be located within the following areas:

and the North Carolina counties of Currituck, Gates and Pasquotank

Names and addresses should be entered exactly as they are to appear on all awards. Please check all names and titles for accuracy and completeness – engraving on all awards and printing in the program will reflect the information you provide. Please type; **no handwritten information.**

**HONOR VS. MERIT AWARDS:** Honor awards are given to above-exemplary projects that demonstrate an extraordinary technical approach with a high degree of difficulty and challenges successfully overcome.
